The New Autumn/ Winter Collection from Covalliero - Elegance Meets Nature

Our new Autumn /Winter Collection from Covalliero is here — waiting to be discovered by you! Our collection shines with timeless, subtle colours that celebrate a sense of connection to nature and freedom. It embodies natural and harmonious tranquility, expanding your understanding of the symbiosis between nature, horse, and human.

The thoughtful designs offer not only stylish elegance but also the highest functionality and comfort, specifically tailored to the needs of riders and their horses. Premium materials ensure optimal heat insulation and breathability, so you're well-equipped even on cooler days.

Discover our versatile jackets that protect you from wind and weather, as well as comfortable breeches that offer maximum freedom of movement. Our accessories, from cozy scarves to robust gloves, perfectly complement any outfit, ensuring you remain stylish and functional even in the cold season.

Whether you're an ambitious competition rider or a relaxed leisure rider, with our Autumn/Winter Collection from Covalliero, you can enjoy every riding lesson to the fullest.

Dive into the world of Covalliero and experience the perfect blend of style, comfort, and connection to nature. Be ready for unforgettable moments in the saddle and discover the diversity of our new collection now!

The colours reflect the landscapes that inspire us.

The clear blue sky - the green meadows - the colourful leaves

Natural colours for harmony and tranquility: Green and blue tones connect you with water and flora, radiating calmness, sovereignty, and freshness. Brown stands for tradition and groundedness, providing a sense of security.

Simple and elegant cuts: Subtle yet detail-oriented designs that highlight your natural beauty.

Sustainable materials: Made from recycled fabrics to protect our planet and combat climate change.

Perfect symbiosis with your horse: The collection supports the deep connection between you and your horse, allowing you to move in harmony.

Discover our new collection - discover Covalliero.

Covalliero celebrates the symbiosis of you, your horse, and nature. With riding apparel that lets you become one with the rhythm of your horse's steps. Experience the perfect balance between elegance and nature. Our collection is more than just clothing — it is a message, a promise to nature, and a celebration of the connection between you and your horse.

Dive into the adventure and discover the Covalliero Autumn/Winter Collection 2024 — your perfect riding apparel for winter.

Active Shirt

Experience the **Active Shirt** made of super-elastic material with a form-fitting cut. The fluffy soft inside offers you maximum comfort. Breathable and lightweight, this shirt is ideal for sports activities and everyday wear. It is perfect for outdoor adventures, the gym, or cozy evenings at home. The high-quality craftsmanship ensures long-lasting shape retention. The shirt is quick-drying and moisture-regulating and protects you from the cold without overheating.

Saddle Pad

Discover our high-quality **saddle pad** with integrated faux fur in the saddle seat area, providing your horse with extra comfort. The saddle pad is equipped with saddle and girth loops with Velcro closures to ensure secure attachment. Made of 100% polyester, it features an integrated mesh channel along the spine and is anatomically shaped. The quick-drying and breathable material underside made from bamboo viscose fibers offers additional comfort and hygiene.

Thermo Riding Skirt

New: Our classic **Thermo Riding Skirt** now comes with a practical zipper, allowing for effortless on and off. Additionally, the leg loops ensure the skirt stays in place. The perfect harmony between the warming fleece lining and the water-repellent yet breathable outer material guarantees you optimal comfort. The Thermo Riding Skirt from Covalliero is the ideal solution and a true must-have for riders!
