Aesculap Cordless Clipper Favorita CLi

Latest generation of wireless Favorita

THE innovative and familiarly powerful cordless clipper for professional use! The integrated "InfoLED Display" shows the battery charge status as well as oil and cleaning instructions at any time.

- incl. Favorita InfoLED: always informed about the operating status of battery and device!
- enormous pulling power with 3,300 strokes, thanks to high-quality brushless motor
- Li-ion battery of the latest technology guarantees extremely long operating times compared to the previous model
- ergonomic and perfectly balanced
- weight of only 390 g for fatigue-free working
- charging station with LED display and charging bays for machine and spare battery
- Supplied without clipping head

Favorita InfoLED:

- shows the battery charge status on contact when required - even when switched off
- situational warning in the form of an oil can when the time interval for oiling is exceeded
- situational warning if the control registers a problem, e.g. due to overheating
