

Product safety recall

„RWS“ AND „BLITZ UND KERNER“

9 X 17 LIVESTOCK STUNNING CARTRIDGES DUE TO POSSIBLE OVERLOADING

The safety of our customers is our top priority. We are therefore launching an urgent recall to prevent any potential injury or damage to equipment. This affects **the following items** with **the corresponding batch/lot numbers**:

Item number 231 74 25:	RWS Cattle stunning cartridges 9mm	YELLOW
Item number 231 74 26:	RWS Cattle stunning cartridges 9mm	GREEN
Item number 231 74 27:	RWS Cattle stunning cartridges 9mm	RED
Item number 231 74 28:	RWS Cattle stunning cartridges 9mm	BLUE

Item number 231 74 21:	BLITZ und KERNER Cattle stunning cartridges 9mm	YELLOW
Item number 231 74 22:	BLITZ und KERNER Cattle stunning cartridges 9mm	GREEN
Item number 231 74 23:	BLITZ und KERNER Cattle stunning cartridges 9mm	RED
Item number 231 74 24:	BLITZ und KERNER Cattle stunning cartridges 9mm	BLUE

THE FOLLOWING APPLIES TO THE 8 ITEMS LISTED ABOVE:

The **batch/lot number is 4 characters long** and alphanumeric, consisting of two digits followed by two letters.

The items concerned are products whose batch/lot numbers end with the following letters:

N, O, P, Q, R, S or T. For example, 57GP.

You will find the batch/lot number either on the back of the product packaging or, in the case of some older product packaging, on the inside of the lid.

Product safety recall

„RWS“ AND „BLITZ UND KERNER“

9 X 17 LIVESTOCK STUNNING CARTRIDGES DUE TO POSSIBLE OVERLOADING

Item number 243 06 64:	RWS Cattle stunning cartridges 9x17	RED	DO 50
Item number 243 06 65:	RWS Cattle stunning cartridges 9x17	YELLOW	DO 50
Item number 243 06 66:	RWS Cattle stunning cartridges 9x17	BLUE	DO 50
Item number 243 06 67:	RWS Cattle stunning cartridges 9x17	GREEN	DO 50

THE FOLLOWING APPLIES TO THE 4 ITEMS LISTED ABOVE:

The **batch/lot number is 10 digits long** and is also alphanumeric.

It always begins with the letter sequence DAG. An example: DAG24K5950.

The items concerned are products whose batch/lot numbers contain the following combinations in the first 6 digits:

- DAG24K, DAG24L,
- DAG25A, DAG25B, DAG25C, DAG25D.

You will find this number on the back of the tins/packs (see the illustration opposite, in the area marked in **BLUE**).

The **item number is always a 7-digit number** beginning with a '2'. You will find this either on the front of the packaging or, in the case of some older product packs, on the **back of the packaging**.

All products bearing the relevant item and batch/lot numbers must no longer be placed on the market and/or used.

Customers and users of these items are asked to return them to a specialist retailer as soon as possible. The purchase price will be refunded.
