Riding Tights Compression for maximum comfort and style

The innovative **Riding Tights Compression with grip patches** has been designed for maximum comfort and performance. These leggings provide a **compression effect** that **supports the muscles** and ensures a **comfortable fit**. Their shape-retaining, soft, and lightweight material guarantees optimal **freedom of movement**. The full seat with **Covalliero-Grip** ensures a **secure hold in the saddle**, while the 4-way stretch allows maximum flexibility. The **breathable fabric** fits snugly against the skin, providing comfort while riding. The material at the leg hem has been laser-perforated to enhance cooling effect and breathability.

Breathable Rain Jackets for any weather

Whether riding, hiking, or just in everyday life, whether it's bright sunshine or unexpected rain – the Covalliero **Rain Jacket** and the **ClearView Rain Jacket** are always the perfect companions. The **waterproof, breathable fabric** is **lightweight and comfortable** to wear. Sealed seams provide **perfect protection against moisture**. They offer reliable protection in any weather and come with a stowable or detachable hood in the collar. The elastic cuffs and side elastic bands ensure an optimal fit, while the thoughtfully designed **ventilation system** under the arms promotes **air circulation** even during intense activities.

Equipment for your horse: Fly and Transport Blanket

In addition to stylish clothing for the rider, the **right equipment for your horse** is of great importance. The new **fly blanket** combines the features of a **transport and fly blanket**. The material on the back **absorbs sweat** and **prevents rapid cooling** in this area. The lower part features fine-mesh, soft mesh material that provides **perfect protection against annoying flies and biting insects** while also **supporting air circulation**. Whether in the pasture, in the stable, or during transport – the new fly blanket is the optimal protection for your horse. It is equipped with a chest strap and a tail flap and has adjustable and removable cross surcingles.
