### Logistical Data:

| Item no. | Size     | Barcode       | Packaging Unit |
|----------|----------|---------------|----------------|
| 298063   | 9 / L    | 4018653377529 | 1/6/60         |
| 298064   | 10 / XL  | 4018653377536 | 1/6/60         |
| 298065   | 11 / XXL | 4018653377543 | 1/6/60         |
| 298063   | 9 / L    | 4018653377529 | 1/6/60         |

## Certification:

### A) Mechanical resistance according to EN388:2016+A1:2018

| Feature                        | Level | Range              |
|--------------------------------|-------|--------------------|
| Abrasion resistance            | 3     | Min 0 / Max 4      |
| Cut resistance<br>(Coupe-Test) | 1     | Min 0 / Max 5      |
| Tear resistance                | 3     | Min 0 / Max 4      |
| Puncture resistance            | 1     | Min 0 / Max 4      |
| Cut resistance<br>(ISO 13997)  | X     | A-F (X=not tested) |

### B) Protection from cold according to EN511:2006

| Criterion       | Level | Range         |
|-----------------|-------|---------------|
| Convective cold | X     | Min 0 / Max 4 |
| Contact cold    | 2     | Min 0 / Max 4 |
| Watertightness  | X     | 0 / 1         |
